

## City News In Brief

(From Thursday's Daily.)

### Leaves For Winter.

Mrs. George Ford has gone to Phoenix for the winter, to be a guest of her daughter, Mrs. E. Michel.

### Mining Business.

Ernest Degan, who has interests in the Copper Creek field, near the Bagdad, left yesterday for his camp to remain indefinitely.

### Country Visitors.

J. A. Harris, of Walnut creek; O. W. Roberts, of Simmons, and I. D. Thomas, of Skull valley, all well known in farming circles, are in the city.

### Range Visitors.

Guy Shultz, of Hillside, and W. S. Johnson, of Walnut creek, are in the city on business and report the cattle situation as satisfactory, and no epidemic prevailing.

### Leave For Coast.

Mr. and Mrs. George Morhead, who had been in the city for the past week visiting with Mrs. John G. Campbell, mother of Mrs. Morhead, left yesterday for the coast.

### Called to Tucson.

Mrs. Harry Brisley left yesterday for Tucson, receiving news of the quite serious illness of her son, Harold Brisley, a student at the University of Arizona, who was suddenly stricken with symptoms of pneumonia.

### Mining Man Returns.

D. A. Byrne, who is operating the Mint mines in Copper Basin district, returned Tuesday from Los Angeles, and leaves today for his camp to start in motion a line of big development, since the old workings have been unwarranted.

### Visiting Old Home.

Miss Ethel Francis who will be pleasantly remembered as a former resident of Prescott, arrived yesterday from Flagstaff for an extended visit with friends, and while here will be a guest of her sisters, Mrs. E. G. Dignan and Mrs. Harry Reed.

### Hunting Location.

M. S. McCreary, of Erie, Pa., was an arrival Monday, making the long trip in auto. He is a member of the firm of McCreary Tile Roofing Co., and is investigating conditions in this section with the view to locating. He is favorably impressed with the country.

### From the Mines.

Martin Anderson, who has mining interests near Senator, is in the city on business, and reports that field as far more active than had been known in many years.

### From the Lincoln.

D. H. Bradley, Jr., operating the Lincoln mines near Crown King, was a business visitor to the city on Tuesday, returning yesterday to his camp. The line of exploration mapped out is being energetically prosecuted, in which the sinking of a main double-compartment shaft goes ahead under favorable conditions.

### Back From Coast.

Mr. and Mrs. John Lindell have returned from Los Angeles, where the former was called on mining business. He stated that Yavapai mines are engrossing very much attention in investment circles, and large capital is ready to come into this section. He anticipates important movements in the near future.

### Lively Country.

Ed. Rogers, who has mining interests in the Mayer section, is in the city, and states that there is a big mining movement covering that region, in which many deals are under consideration as well as development noticeable everywhere. Mayer, he says is booming, and business conditions are prosperous.

(From Friday's Daily.)

### Change of Climate.

Mr. and Mrs. Alexander Roos, of the Mogollon mountains, are in the city en route to Wendon, to remain for the winter with relatives.

### Back From Country.

T. D. Sanders has returned from the Cook ranch in Kirkland valley, where he gathered the season's fruit crop of over 150 boxes of apples principally. The product was sold to dealers in this city.

### Comes to Operate.

Will C. Ketchum, a recent arrival from the East, is preparing to enter the Kirkland section to begin operating placer mines.

### To Milder Climate.

H. O. Barten, a well known pioneer resident of the city, left yesterday for Yuma, to spend the winter months with his daughter, Mrs. Clara Greenleaf.

### Visiting Friends.

Mrs. J. E. Bark, of Humboldt, who has many friends in Prescott, was an arrival yesterday to remain for several days on a visit, and is at the Congress Hotel.

### Passing Through.

Former Supervisor A. S. Haskell was a brief visitor yesterday from Jerome with Prescott friends, while en route to Los Angeles for the winter. He was accompanied by his daughter, Mrs. Elva Carroll.

### Geary In City.

W. P. Geary, a member of the corporation commission, arrived yesterday from Oatman, where he has mining interests, and is preparing to return to the capital city to close up his official career and begin the practice of law. He has decided to locate at Oatman, where he reports many mines again active.

### Back From Colorado.

Mr. and Mrs. Egbert Trueman, who left this section about three years ago for Canon City, Colo., returned during the week to remain. Mr. Trueman has mining interests in White Pine district, and later leaves to establish a camp and begin operating. He states there is very much comment in mining circles of the above State over the good outlook for this field since the Jerome excitement has started.

(From Saturday's Daily.)

### Visitors From Mine.

Mr. and Mrs. E. C. Koepke are in the city for a few days visiting with friends, coming from the New Year mine camp in Chaparral.

### Back From Coast.

G. A. Meany, cashier of the Commercial Trust and Savings Bank, has returned from a business trip to the coast in the interests of that institution.

### Visiting Friends.

Mrs. D. A. Seaman, wife of the well known mining man of Crook canyon, is in the city for a few days to visit with friends, coming from the Juana camp.

### Resume Cinnabar Mining.

John S. Ross and Matthew Hall have gone to their cinnabar mine holdings in Copper Basin district to establish a camp and carry out a line of large development.

### Return From Coast.

Mrs. Essie Douglas and daughter, Miss Estella Douglas, who had been touring the Pacific Coast States during the summer, returned a few days ago and later leave for Mayer, their home.

### Visitors Pleased.

Mr. and Mrs. H. F. Bard, of Ohio, are visiting their niece and nephew, Mrs. J. A. Pettit and H. G. Fansler in this city. This is their first trip West and they are delighted with Arizona, especially Prescott.

### Range Visitor.

J. H. Stephens was in the city yesterday from Toohay Rancho, and gives a good report of the range situation, mentioning particularly that cattle are healthy and blackleg as yet has not appeared in that section.

### Visiting Brother.

Judge F. L. Hammond is visiting his brother, A. L. Hammond in Prescott. Judge Hammond was recently elected probate judge of Berrien county, the third largest county in Michigan. His home is in Benton Harbor, Mich.

### Mine Examination.

J. P. Morton, a mining man of Pasadena, Cal., accompanied by his engineer, Thomas Cowles, of Bullfrog, Nev., are recent arrivals and have gone into Castle Creek district to make an examination of the old Comet gold mine. They also will look over tungsten conditions in the Tip-top section.

### Looking Over Country.

A. L. Alters, of Frisco, Utah, is a recent arrival, joining his cousin, B. T. Ingram, who preceded him a few weeks ago, and both will look over the range country to ascertain the probable supply of beef hides, as well as the pelts output of bounty animals be ascertained. They are interested in a tannery at Kansas City, Kansas.

### Going South.

Mr. and Mrs. E. R. Vines, of the Oak Creek country, are in the city en route to Peoria, Maricopa county, to remain for the winter with their daughter, leaving tomorrow. They are recently from near Springfield, Ill., coming for the health of Mr. Vines, which has improved. After their return it is probable they may make Prescott their future home.

### First Snow.

Daniel Burns was an arrival yesterday from near Pine, on the Mogollon mountains, reporting snow to a depth of four inches early in the week. Cattle have started to drift from the plateau region to a lower elevation. Feed is abundant on the mountain and stock is in better condition than known for many years. Mr. Burns leaves later for Boise, to look over winter range conditions on the desert.

### From Badger State.

Luther Perry, of Markesan, Wis., who when a young man was a visitor to Prescott for several months, coming here for his health which was restored, again is in the city for a brief visit while returning home after a trip to the coast and attending the San Diego exposition. During his residence in this section he was located in Upper Verde valley for most of the time and he leaves this morning for Jerome and Clarkdale to see what changes time has wrought.

### The Perry Mine.

The Perry mine in Hassayampa district was named after his cousin, a beautiful young lady who resided here a few years.

(From Sunday's Daily.)

### Brief Business Trip.

C. E. Richardson, of Hotel Congress, left yesterday for Los Angeles on a business trip, to remain away until next Wednesday.

### Come to Visit.

Mr. and Mrs. Blaine Murray, whose marriage took place in this city a short time ago, were arrivals yesterday from Cherry creek, to remain for a few days visiting with friends.

### More Investors Here.

Thomas Moore, a recent arrival

from Searchlight, Nev., is en route to the Castle Creek country on a mine examination trip. He will be joined at Hot Springs Junction today by two associates.

### Visiting Jerome.

President R. N. Fredericks, of the Prescott State Bank, left yesterday for Jerome, where he goes for a few days on a trip of inspection of his banking interests at that place and Clarkdale.

### Coast Visitors.

Mr. and Mrs. V. T. Lodge, of Los Angeles, the former interested in the Oatman field, were arrivals a few days ago, and leave later for Constellation, where Mr. Lodge will examine a gold-copper property.

### Looking at Coppers.

Walter Harvey Weed, the prominently known mining engineer, who arrived recently from New York City to make observations in this field, left yesterday for Jerome, to look over the copper situation for a few days.

### From the South.

J. A. Trenberth, of the Aubrey Investment Co., which has a large road building contract in Pima county, arrived yesterday from Tucson on a brief business trip, and returns south tomorrow. He reports the work progressing.

### Mine Examination.

Ben Rybon left yesterday for Graham county, where he meets Philadelphia investors, who are negotiating for mines, and he will make examinations before the deal is closed, returning to Prescott the latter part of the week.

### Back From Alabama.

J. E. Simpson, a former resident of this section, and a mining operator, returned yesterday from Milloy, Ala., after an absence of over six years, and will again locate to follow his line of business, going into the Humboldt country. He was called to the above city to settle the estate of a deceased member of his family.

### Mining Man Returns.

Custer Seibert, a mining man of Morenci, who made an inspection of properties east of Mayer during October, returned Thursday, and will remain indefinitely. He is very much pleased with the copper outlook of the above region and a deal may be consummated later. He is accompanied by his wife and a nephew, Harris Burr.

(From Tuesday's Daily.)

### To the Coast.

G. H. Bishop left yesterday for Los Angeles, on a business trip, to be away until next week.

### Home From Coast.

Miss Delma Goldsborough, who had been visiting with friends on the coast for several weeks, returned home yesterday.

### Leave For Holidays.

Major and Mrs. A. J. Pickrell and Miss Josephine Amrhein left yesterday for Los Angeles, to be away until after the holidays.

### Visited Friends.

Mrs. Sadie Rieley, wife of the section foreman of the S. F. P. & P. at Ramsgate, was a visitor yesterday with friends in the city.

### Road Business.

F. R. Goodman, State division engineer, is in the city from Flagstaff, and stated road work in that section has been finished. He expects to be transferred to this locality in a short time.

### Range Visitors.

Mr. and Mrs. W. K. Brown, the former one of the largest livestock growers in the county, were arrivals Sunday from Ash Fork in auto, to remain for a few days visiting with Prescott friends.

### Rural Visitor.

John Morris, of Skull valley, was in the city yesterday, and reported a very large acreage as having been planted to winter wheat. Rain or snow during the coming month will make the farmer prosperous.

### Business Trip.

Morse Darnall, the Hillside merchant, was a business visitor yesterday, and reported sheep as beginning to move into that region for winter grazing. A better season than last year is anticipated from the feed that abounds.

### Will Placer Mine.

Henry Burrman has arrived from the Vulture country, and after making observations of Lynx creek, has concluded to follow placer mining this winter, making a location last week. He has a new wet washing process.

### Visiting Old Home.

Charles Sauer, a former contracting carpenter of this city, but now of Jerome, is in the city attending Superior court for a few days, and is accompanied by his daughter, Miss Elsie Sauer, who remains for an extended visit with friends.

### Brief Visitor.

H. L. Fishel, formerly division engineer of the S. F. P. & P. in this city, but now pilot engineer of the Federal valuation commission, and representing Santa Fe interests, was a brief visitor Sunday to the city, en route to El Paso. Before his duties end he states over two years' work will be performed on the Santa Fe system.

### Eastern Visitors.

Mr. and Mrs. S. F. Falk, of East St. Louis, Ill., are in the city, the former leaving today for the Verde district on mining business, while the latter continues today to San Diego to remain for the winter. Mr. Falk a few years ago was interested in mines near Jerome, and a stockholder of the Little Daisy, selling his shares at \$4.50.

### From Nevada.

After an absence of over three years at a Nevada mining camp, Frank Benton returned a few days ago, and is preparing to leave for Turkey Creek district to start work on silver mines, since the price of the metal is advancing. He is a co-owner of the White Star. Tungsten values also are carried in the ores. His wife arrives next month from Goldfield, Prescott on Onion Map.

### Prescott On Onion Map.

Prescott is on the map so far as onions are concerned. A whole carload, all the way from Spain arrived here yesterday consigned to the Walter Hill Co. These onions are "different"—are most delicious and lack

the strong odor and flavor so characteristic of the American onion. This is the first carload of these onions to arrive in Arizona.

### Friends Entertained.

Mrs. Arthur Biscoff entertained friends at her home on North Pleasant street last Friday afternoon in honor of her sister, Mrs. W. W. Bower, of Oshkosh, Neb. Mr. and Mrs. Bower will remain here until after the holidays, and then will go to San Diego, where they will spend the winter.

### Rushing Work.

T. C. Snider, of Jerome, who has the contract for building a 1,500-foot spur from the Poland railroad at the Henrietta mining camp, returned yesterday and stated the work will be completed this week. This facility is to be so located as to receive for loading the product of that mine at the mouth of a tunnel, and which is to be shipped forthwith to the new smelter at Mayer. Mr. Snider states the property has a large tonnage of a good gold grade ore.

(From Wednesday's Daily.)

### Range Visitor.

J. F. Plummer, of Anvil Rock, a large cattle owner, is in the city.

### Comes to Visit.

Mrs. George Rohpeter, of Dewey, is in the city for a few days visiting with friends.

### From the Range.

H. K. Miller, the Santa Maria rangeman, is in the city on a business trip.

### Country Visitors.

Mr. and Mrs. S. W. Holder, of Kirkland valley, are in the city for a few days to visit with friends.

### Brief Visitor.

C. A. Randall, of the Congress mines, was a brief visitor Monday on business, returning to the camp later in the day.

### Return Home.

Mr. and Mrs. Albert Rudy, who had been visiting with relatives in the city for the past week, returned to Kirkland, their home, yesterday.

### Mine Visitor.

Fritz Vierthaler, foreman of the Little Starbuck mines on Slate creek, was a brief visitor yesterday on business, reporting development as continuing and results satisfactory.

### Called by Illness.

Mr. and Mrs. W. Ritter, of Hillside, were arrivals yesterday, being summoned by the serious illness of the father of the first named. Another son, Henry Ritter, also arrived yesterday from the Santa Maria.

### Range Visitor.

T. H. Miller, the well known rancher and rangeman of Skull valley, is in the city, and reports cattle as in only a fair condition. The farmer, however, is prospering and winter crops are expected to be heavy.

### Attending Court.

C. A. Peter, cashier of the Bank of Arizona, left yesterday for Tucson, as a witness in a criminal case in the Federal court, in which the identification of postal notes is involved, which passed through that bank, after the robbery of a postoffice in Southern Arizona.

### Teachers' Examination.

The regular quarterly examination for teachers will be held in the office of the county superintendent of schools Monday and Tuesday, December 4 and 5, 1916, beginning at 8:30 a. m.

### Mining Business.

W. H. Skinner, president of the Pinalontas Mining Co., which is operating near Mayer, was a brief visitor Monday afternoon on business, returning to the camp later. His states development continues, with a satisfactory showing at all points under operation.

### Mining Business.

Steve E. Messenger, a mining man of Groom Creek district, is in the city on business, and gives a good report of that country since the Home Run and Midnight Test properties are now active with large development decided upon.

### Will Ship.

George Wallington, who recently located in the Placitas section, and revived the old Swilling mine, is preparing to make the first shipment of a carload of gold-silver ore to El Paso. He is in town to meet a brother, due to arrive in a few days from Mogollon, N. M.

### Passes Through.

W. E. Defty, of Phoenix, consulting engineer of the Dundee-Arizona, at Jerome, passed through the city yesterday after an inspection trip, reporting active development as under way since new machinery is in operation.

### Back to Douglas.

James S. Douglas and party of friends who had been deer hunting on the Mogollon mountains for the past two weeks returned south in auto a few days ago, via Black Canyon. Mr. Douglas also visited the Little Daisy at Jerome during the trip.

### Country Visitor.

John Chariz, of Lower Kirkland valley, is in the city and gives a report of the condition of cattle as being only fair, owing to cold weather and grazing being light for this time of the year. Blackleg, however, as yet has not appeared on that range, as was reported.

### Mining Business.

J. H. Hudgens, formerly an officer of Jerome, but now engaged in mining, is in the city on business pertaining to his interests in Mineral Point district, situated near Jerome Junction. He states the next big rush will be to that field, after the Jerome boom cools down.

### From the Country.

F. W. Allen, a well known pioneer resident of Cherry creek, engaged in ranching and ranging, is in the city, and reports the principal topic under discussion as that of mine and mining, owing to many new locations being made recently on that link of the big Jerome copper belt.

### Start Assessment Work.

Jerry Devine and two miners left yesterday for Squaw Peak district, to begin annual assessment work on the Gunn brothers group of copper mines. It is also probable a permanent camp will be established, after the arrival of the owners, who reside at Messalla, N. M.

### Summoned Home.

James Prove, a recent arrival from San Jacinto, Cal., who is preparing to take over a group of mines in the Minnehaha Flat section, arrived from the property Monday night, being summoned home by the serious illness of his mother. He left yesterday afternoon. He stated that later he will return to close the deal.

### Mining Man Here.

John Curran, who owns desirable mines in the Walker field, was a business visitor yesterday and stated the district is shaping up for a future in which he believes some heavy producers are assured. Deals are under consideration, and deep development is stimulating capital to enter that field by the excellent results given in recent months.

L. S. Colwell, county recorder, appoints L. M. Collins as deputy.

Robt. Carroll to F. L. France. One mine (unnamed), Verde district.
